

CALL FOR PROVIDER POSTER SESSION SUBMISSIONS

Pennsylvania Autism Training Conference (PATC): Interact 2019 Office of Developmental Programs

Lancaster Marriott at Penn Square, 25 South Queen Street, Lancaster, PA

September 5 & 6, 2019

The Office of Developmental Programs (ODP) is requesting proposals for providers to highlight their innovative approaches at the 12th Annual Pennsylvania Autism Training Conference. We would like to hear from providers who have developed and/or effectively implemented models for supporting individuals with autism in the following areas:

- Effective Supervision & Mentoring
 - Addressing Staff Retention
 - Innovative Support Models
- Establishing Models That Embrace Applied Behavior Analysis (ABA)
 - Teaming and Multi-Disciplinary Approaches to Support
 - Novel Approaches to Coordinating Care
 - Effective Uses of Data
 - Successful Approaches to Engaging Families
 - Cross systems collaboration

This is an opportunity to share your innovative approach so other interested agencies and supporters may consider adoption or replication. Providers will be asked to be available during specified times at the conference to talk about their model or best practice. This will also be great opportunity for providers to network with other providers.

Proposals will be reviewed and selected by a committee designated by ODP. We are grateful to presenters who volunteer to share their expertise and experiences with their colleagues through participating in this activity. Thank you for your interest, time, and effort!

Please submit your poster proposal via QuestionPro:
