

# Becoming ME

## College of Direct Support WEBINAR on Self Determination DECEMBER 11

The idea of “self determination” is not the same as “choice.” We become ourselves through lifelong discovery, we express ourselves through consistency in our choices, patterns, habits.

This seminar will talk about supporting others in their journey as they become themselves. Practical, real life examples will be used.

**PRESENTER: Kate Fialkowski, Director of Academic Programs, Institute on Disabilities at Temple University, College of Education. She is an Adjunct Professor, Disability Studies courses. She is also a sibling and primary advocate for her brother.**
