A Guide to Virtual Office Hours vs. Virtual Targeted Training

Virtual Office Hours (VOH)

- Interactive dialogue opportunity to field questions related to a specific topic
- Not recorded or posted
- One-time opportunity to participate live

Virtual Targeted Training (VTT)

- Traditional virtual training presented using a PowerPoint (lecture format)
- Will be recorded and posted
- Little to no opportunity to answer questions unless time permits at the end

December 2019 Training Schedule

Date & Time	VOH or VTT	Topic	Audience	Description
December 2 11am– 12pm	VTT	AAW SC Individual Monitoring Tool	SCOs	This training will cover changes being made to the AAW SC Individual Monitoring Tool that become effective December 7, 2019. Some of the changes include clarifications to the employment questions, revisions to the participant satisfaction section, and a new question related to the right to be free from abuse, neglect and exploitation.
December 9 9am— 10:30am	VTT	Life in the Community Like Everyone Else: Fundamentals of Community Inclusion	All professionals in the field	Dr. Salzer will briefly offer evidence underlying the importance of community inclusion and participation for the health of adults with intellectual and developmental disabilities. He will then introduce the fundamentals for promoting community inclusion, including the knowledge, beliefs, and attitudes required for making it a reality, ensuring the use of conceptually-grounded, evidence-based practices, including development of natural supports, and identifying and addressing environmental barriers to inclusion. He will then be available for questions about how to make these fundamentals a reality in Pennsylvania.
December 11 12pm—1pm	VTT	Person-Centered Planning Approach	All professionals in the field	This training will focus on the principles of person-centered planning (PCP). We will explore the specific PCP tools and approaches and how we can apply them as supporters.

Date & Time	VOH or VTT	Topic	Audience	Description
<p>December 11 3pm—4:15pm</p> <p>January 22 2pm—3:15pm</p>	VTT	<p><u>HRST Orientation for Pennsylvania Supports Coordination Agencies</u></p>	SCOs	This webinar is designed to introduce Supports Coordinators to the Health Risk Screening Tool (HRST).
<p>December 12 12:30pm—2pm</p>	VTT	<p><u>Language Deprivation</u></p>	All professionals in the field	ODP’s Deaf Services Coordinator will present on a specific subset of individuals with hearing loss who experience what is called “dysfluency.” Dysfluency means to not be fluent in one’s own native language. Come learn about dysfluency, why it is important to recognize, and its implications for your work. We will also explore “side-effects” of dysfluency and how to build a communication plan that supports full access and growth for a person with hearing loss experiencing dysfluency.
<p>December 13 1pm—2:30pm</p>	VTT	<p><u>Getting Acquainted with the HRST Report Suite (for PA ODP/HCQU/AE)</u></p>	ODP Staff HCQU staff AEs	This webinar will cover the overall use and functionality of the HRST Report Suite. It will highlight specific reports of interest for PA ODP, HCQUs, and AEs.
<p>December 23 10am—11am</p> <p>January 3 2pm – 3pm</p>	VOH	<p><u>Open Dialogue on Technology for People with Disabilities</u></p>	All professionals in the field	This will be an opportunity to continue the conversation begun at ODP’s October 2019 technology conferences about the role of assistive technology in increasing the independence of people with disabilities. Participants will learn about new ODP initiatives and how assistive technology supports the values of Everyday Lives.

Date & Time	VOH or VTT	Topic	Audience	Description
December 19 2pm—3pm	VTT	Behavior: Let's Get on the Same Page	All professionals in the field	There are many factors that impact the way someone engages with their world, and examining those factors from a behavioral perspective is one approach to more holistically supporting someone who has complex needs. This training will discuss the foundation of that perspective in an effort to align our understanding of Positive Behavioral Support and its place in a multi-disciplinary approach for addressing challenging behavior.
December 20 1pm—2pm	VTT	Best Practices for Interviewing Participants	All professionals in the field	This training will provide guidance on best practice techniques on how to interview participants to gain information you need.
