WORKFORCE DEVELOPMENT BOARD

WE WANT YOUR INPUT!

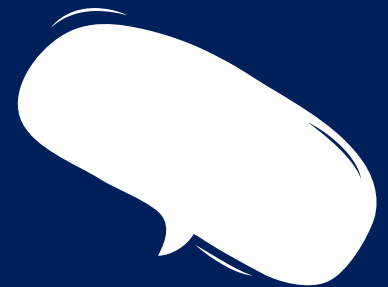

Workforce Innovation and Opportunity Act (WIOA) State Plan Listening Sessions

The PA Workforce Development Board is hosting Workforce Innovation and Opportunity Act (WIOA) State Plan Listening Sessions to get your feedback and recommendations on the state's 2020 - 2024 workforce development strategies.

Pennsylvania established five broad goals for a comprehensive workforce development system to increase the number of Jobs That Pay, expand the number of Schools That Teach the skills necessary to succeed in college and careers, and serve as a model of Government That Works.

These Listening Sessions will present an opportunity to discuss PA's WIOA broad goals, identify areas of concern, discuss ideas for innovation and improvements, and help in further enhancing PA's framework for a successful workforce development system.

RSVP

Please email RA-LI-PAWDB@pa.gov with the Session Date and attendees by Friday, July 19.

Auxiliary aids and services are available upon request to individuals with disabilities.
