

Autism and Intellectual Disabilities in Pennsylvania

AID in PA is a resource collection for Pennsylvanians in the autism and intellectual disability communities.

A joint effort between ASERT (Autism Services, Education, Resources, and Training) and the statewide HCQUs (Health Care Quality Units), this site is designed to connect individuals with disabilities, families, professionals, and community members with resources that can best serve them in emergency situations. Current resources focus on the ongoing COVID-19 crisis; however, this site can be adapted to for other challenges facing the community.
