

CPS Emerging Practices Webinar

Southeast Region

Friday, September 25

12:30 pm to 2:00 pm

ODP invites Community Participation and Employment Support providers to join a webinar presentation to learn about innovative remote support practices from fellow providers. Due to the ongoing COVID-19 Pandemic, providers have developed creative community participation and employment supports practices while remaining socially distant. Hear from fellow providers Carousel Connections and SPIN about how they are rethinking CPS and Employment programs.
