	DECEMBER COURSE DESCRIPTIONS	Audience
VOH	Let's Talk About the "Communication and..."Series	All parties and interested stakeholders
1:00 PM-2:00 PM		
	Description	
	The ODP Special Populations Unit recently published the "Communication and..." Series. The goal of this series is to provide information on how each diagnosis impacts communication and offer strategies to support communicating well. Join us as we discuss the 26 different diagnoses covered in this series and answer questions related to communication.	
VOH	Visual Gestural Communication (VGC)	All parties and interested stakeholders
1:00 PM-2:00 PM		
	Description	
	Do you support an individual who uses VGC? This mode of communication can be described as a natural response to wanting to communicate, including all forms of gestures. Join the ODP Special Populations Unit for a discussion about VGC! We'll begin with a short overview from the newly released VGC module. Then, we'll answer your questions related to VGC challenges, taking VGC to the next level, and any other pertinent questions.

PTB	PRE Domains: A Deeper Dive	All ODP Providers of AAW and Adult Community Autism Program (ACAP) Services
1:00 PM-1:45 PM	(8 – Session Pop-in Series)	
	Description	

As an SC or Behavioral Specialist (BS), do you need to have a better understanding of what should be assessed and included in any of the PRE domains? Are some domains more confusing to you than others? If so, this series may be for you! These are Sessions 5 and 6 of this 8 session series that will provide a deeper dive into each of the domains that are assessed in the Periodic Risk Evaluation. These sessions will focus on the domains of Substance Abuse and Chronic Medical Conditions. All AAW and ACAP providers are welcome to attend if interested in developing a better understanding of the PRE domains.

1:00 PM-1:20 PM	Session 5: Substance Use	
1:25 PM-1:45 PM	Session 6: Chronic Medical Condition
