VTT	Becoming a Data Champion	All ODP Providers
1:00 PM-2:00 PM		
	Description	
	<p>Are you someone who embraces the data collection and information sharing process and may actually find it fun? Or are you someone who finds this process cumbersome? Do you have the skills needed to use data to make informed decisions? No matter where you fall along the continuum, we can all become “data champions.” This training will explore ways to either become or to improve your skills as a “data champion” within your agency and in your everyday life to make the data collection process efficient, meaningful, and purposeful for the people we support.</p>	
VTT	Inclusion: Helping or Hovering	All ODP Providers
2:00 PM-3:00 PM		
	Description	
	<p>This Virtual Targeted Training (VTT) will review the concept of inclusion as it relates to the individuals we support; focusing on how to recognize what is 'helping' vs. 'hovering'. This training will include tips and strategies to consider when supporting people in various types of settings.</p>	

VOH	<p>Using Charting the LifeCourse to Support Individuals and Families Through the Pandemic VOH</p>	All ODP Providers of Adult Autism Waiver (AAW) Services
1:00 PM-2:00 PM		
	Description	
	<p>This VOH is designed to offer an opportunity for ODP providers to learn from one another and share experiences regarding helping individuals and families navigate the current pandemic. We will facilitate discussion around how CtLC tools and resources that can be used to identify relevant integrated supports into people’s everyday lives. We will also explore additional resources relevant to supporting individuals and families during these challenging times. Please come prepared to share any strategies or resources that have been helpful for you as a supporter or for those who you support.</p>
