VOH	When Paid Supports Just Aren't Enough	Any ODP Provider
1:00 PM - 2:00 PM		
	Description	
	Charting the LifeCourse highlights the importance for people to have a variety of supports integrated into their lives. This VOH will focus on supporting individuals and families in building their support system using the Charting the LifeCourse tools and resources. Please be prepared to share ways that you have guided people to incorporate additional supports into their lives to help them reach their goals. We plan to discuss these ideas as strategies for supporters to link people to other service systems and supports outside of paid services that can add the extra layer of support needed to help people reach their vision for a good life.
