

## Medication Administration: Webcast Guidance

### ODP Announcement 21-026

#### AUDIENCE:

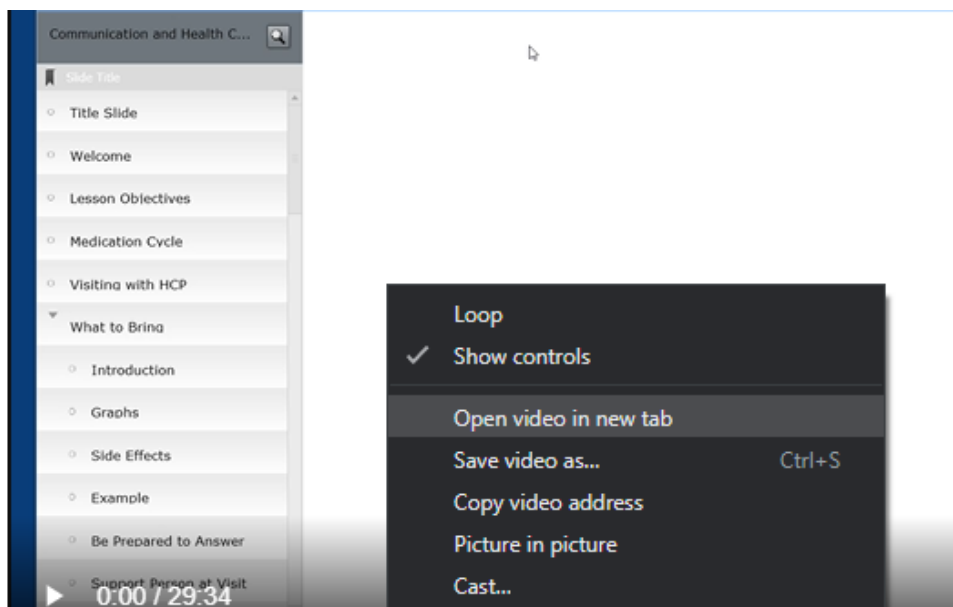

All Interested Parties, Medication Administration Trainers, Medication Administration Students

#### PURPOSE:

To provide guidance for users experiencing issues viewing webcasts in the Medication Administration Train the Trainer and Student courses.

#### DISCUSSION

Users experiencing issues viewing webcasts in the Medication Administration Train the Trainer and Student courses are recommended to open the video in a new tab. This can be done by right clicking the webcast when displayed on the page and selecting **Open video in new tab** in the pop up. You then have the ability to adjust volume, view at a particular timestamp, and watch the webcast at Full screen.

**Please note:** New webcasts for the Medication Administration course are under development. The information in the active webcasts remains current until the release of the new videos.

If you run into problems or have additional questions please contact the Medication Administration Help Desk by going to [www.mahelpdesk.com](http://www.mahelpdesk.com).
