NOW AVAILABLE:

SPeCTRUM 2.0: OFFICE OF DEVELOPMENTAL PROGRAMS ONLINE AUTISM COMPETENCY TRAINING

This multi-module training was developed by the Pennsylvania Office of Developmental Programs (ODP) in conjunction with the Autism Services, Education, Resources & Training (ASERT) Collaborative.

This training was designed as a foundational training and as a resource for professionals who are supporting individuals with Autism Spectrum Disorder (ASD) and their families.

The SPeCTRUM 2.0 training course is required for all Adult Autism Waiver (AAW) or Adult Community Autism Program (ACAP) providers, before enrolling as a provider and before providing services.

The training is housed on the MyODP training platform. This training consists of **9 modules**; the total time to complete it is **approximately 7 hours**. You can view the training in its entirety, or you can view each module separately.

To access SPeCTRUM 2.0, click this link:
