How to Access Licensing Information

Step 1. To access Licensing information, first click on the Services and Supports Directory on the HCSIS home page: https://www.hcsis.state.pa.us/hcsis-ssd/ServicesSupportDirectory/ServicesSupportHome. Then click on “Providers” in the menu on the left.
How to Access Licensing Information

Step 2. Choose a provider of interest.

Use your mouse to select the first letter of the name of the individual or agency from the index below. Clicking on a particular letter will show you a summary of all names beginning with that letter. You will have to search under the “OTHER” link. This gives you a listing of all the names that do not start with a letter.

[A]
