

***If an individual has an approved Individualized Plan for Employment with OVR on the date the order of selection is closed, the person must continue to receive services through OVR until their case is successfully closed. In these situations, employment-related services may not be added to an ISP if the reason code for closure is any of the following:**

- Reason Code 17 – Unable to Locate or Contact
- Reason Code 18 – No Longer Interested in Receiving Services or Further Services
- Reason Code to be developed by the Rehabilitation Services Administration (OVR is using Reason Code 19 in the interim) – Individual chooses not to pursue competitive integrated employment through OVR.
